WE'VE GOT SELF-SERVE BANKING OPTIONS TO KEEP YOU SAFE DURING COVID

COVID restrictions have forced us to change how we live our day-to-day lives, but at LaHave River Credit Union, we want to ensure that you still have access to your everyday banking needs! We have a number of self-service banking options to keep your life moving:

Night Deposit - Put your deposit in an envelope with your account number and any instructions, and we will take care of it the next business day!

Mobile Banking App - Use your smartphone or tablet to access your accounts, get balances, transfer money, pay bills, send money, or deposit cheques using the camera on your device.

Mobile Wallet - Load your debit card into Apple Pay, Samsung Pay or Google Pay and use your cell phone for secure and easy purchases.

Text Banking - Get real-time access to your accounts wherever you happen to be. Just send a quick text message to your account and you'll receive a message back.

We're committed to helping our members get through this difficult time!
